# Road Safety

Thank you to everyone who continues to work together for the safety of our children on the way to and from school. The police are providing support with this matter and will continue to follow up on number plates for cars that park on the zig zags and yellow lines at the front and back of school. The following website has detailed information, from the council, about parking regulations by schools:

**Follow @LevyCleanAir on Twitter for tips, from other parents, about walking and cycling to school.**

## Mobile Phones

Some drivers have been seen using mobile phones when driving near school. This is illegal and can have fatal consequences. You are **four times** more likely to be in a crash if you are using your mobile phone.

The Pankhurst Trust brings together Manchester Women's Aid and the Pankhurst Centre. They work together to ensure that those suffering from domestic violence and abuse get the confidential help they need.
