Coffee Mornings

Please join us for a cup of tea or coffee on Tuesday 29th November at 9:00am

Well I can not thank everyone enough for the warm welcome I have been given from Chapel Street. This is a wonderful school and I am so excited to be part of the next journey in its' history. Last week flew by and I am feeling a real part of this wonderful family.

I hope you like some of the changes we have started to make; there has been lots of decorating taking place over half term in the old building which has really freshened everywhere up. My favourite change so far has been the amazing photographs of the children which have been placed in the lift and on the windows of my office. If you haven't had the chance to see them yet, make sure you have a peek during Parents' Evenings next week. Children and staff have been mesmerised by them today.

I hope to meet as many of you as possible over the next half term.

Parents' Evenings - Tuesday 8th and Wednesday 9th November

Parents are invited to come on Tuesday and Wednesday this week to discuss their children's work. Interpreters have been arranged for Tuesday only.

If you have not done so already please book a slot with your child's teacher.

The only classes with different dates are 1JC and 5SL. They will be on Tuesday 8th and Thursday 10th November.

There will be an opportunity to fill in a parent questionnaire on these evenings.

Looking forward to meeting with you all.

Attendance

Last year our attendance was 93.7% sadly this is the lowest it has been for some time (3.3% below the national average).

The attendance for each class is read out in assembly every Friday, every child is eager to be a member of the class with the highest attendance and receive a sticker that they can wear with pride!

Let's work together to achieve 95% attendance this year!

It is really important that every child attends school on time, everyday so they can really feel part of all that Chapel Street has to offer them. Please think twice before taking your child out of school during term time and consider how much they will miss by not being here.

Our attendance so far this year is 93.7% we have got time to really improve this and with your support we can reach our target!
