Attendance

So far this year our attendance is below where we need to it to be . It is currently at 94.3% Last year the figures were 94.5%. We are slowly rising!

Let's work together to achieve 95% attendance this year!

It is really important that every child attends school on time, everyday so they can really feel part of all that Chapel Street has to offer them. Please think twice before taking your child out of school during term time and consider how much they will miss by not being here.

Thank you for your support!
