

# Sports Premium Plan 2016-17

## What is the Sport Premium?

The government is providing additional funding of £150 million per annum for academic years 2013 to 2014, 2014 to 2015 and now into 2015-16 to improve provision of physical education (PE) and sport in primary schools. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. Chapel Street has £9728 to spend in the academic year 2016/17. Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

## Accountability

From September 2013, schools will be held to account over how they spend their additional, ring-fenced funding. Ofsted will strengthen the coverage of PE and sport within the 'Inspectors' handbook' and supporting guidance so that both schools and inspectors know how sport and PE will be assessed in future as part of the school's overall provision.

Ofsted will carry out a survey reporting on the year's expenditure of additional funding and its impact. Schools will also be required to include details of their provision of PE and sport on their website, alongside details of their broader curriculum, so that parents can compare sports provision between schools, both within and beyond the school day.

How are we using the funding to benefit our children? (All spending is calculated from September to July). At Chapel Street we have allocated this year's funding in a number of ways:

**Action:** Hiring qualified sports coaches to provide additional after-school activities for each year group for half/one term.

**Spend:** £50 per week for the year.

**Action:** Buying new resources to enable a wider variety of sports and activities to be delivered in PE lessons catering for the new Greenacre Scheme of Work.

**Spend:**

**Action:** Engaging families to exercise together and enjoy sports through family sports events and developing links with local clubs.

**Action:** Professional development opportunities for the PE leader.

**Action:** Providing cover to release staff for professional development in PE and sport.

**Action:** Enter and create sport competitions to raise the number of children participating in competitive sports within our school and against other schools.

**Spend:** £72 taxi fares for transporting cross country competitors.

**Action:** Developing pupil 'Sports Leaders' who will provide a range of sporting activities at lunchtime to increase pupils' participation in sports.

**Spend:** £321.78 – playground equipment 18/11/16

£312.70 – playground equipment and Sports Leader resources 18/11/16

**Action:** Creating and continuing the school's Sport Council.

**Action:** To further develop the facilities of the front playground to enable a more physically challenging environment and opportunities to play sports.

**Spend:** £TBC (carry over from last year helped to pay for playground equipment for KS1 to develop balance, upper and lower body strength and coordination.)

**Action:** To work with one-to-one staff on the development of resources and activities for children with disabilities.

**Action:** To provide opportunities for gifted and talented children to develop their skills and enter competitions.

**Action:** To develop a system that tracks gifted and talented and lower attaining children and use this to cater for their needs.

***(Please note that this is a working document and changes may be made during the year.)***
