Dear Parents and Carers

Over the past twelve months we have been looking at our vision and values at Chapel Street Community Primary School. We have worked with different groups including children, parents, staff and governors to work towards a shared vision that everyone has ownership of.

As we have developed and implemented our new curriculum this year, we need to ensure that our values stand alongside it, encompassing strong community links.

We will ensure our curriculum and values support the journey of everyone at Chapel Street Community Primary School.

The three words from the following key groups were as follows:

Staff	Senior Leaders	Parents
Respect	Respect	Respect
Positivity	Growth	Resilience
Inclusive	Pride	Honesty

The children's key words were:

C are

A chievement

R espect

E veryone

From this we have taken our three core values as: **Respect, Inclusion, Resilience.**

These will be underpinned by **a curriculum worth coming to school for** and **learning that is worth working hard for.** We feel the following motto encompasses this beautifully: **Respect Everyone, Grow Together.**

This will replace the previous motto of 'working together for success'.

Some ideas for ensuring everyone shares the vision and that it becomes an everyday part of school life are: a launch day, the motto displayed in classrooms and around the school, it will be used often and in everyday language, the website will display it, it will be linked with behaviour treats, we could have badges designed with the motto on, playground markings could be used to display the motto, assemblies will be held. If you have any other ideas, please let me know.

It has been a privilege working with different groups to re-look at our vision and values and it is interesting to see how similar we are all thinking. I am looking forward to embedding it in all that we do.

Respect Everyone; Grow Together

Yours sincerely

Sally Lowe
