

Welcome to Fox Soccer Academy Easter Holiday Camp

Session Details:

Fox Soccer Academy was started in 2014 by current English Premier League player, Christian Fuchs. Christian has played over 500 professional games across the Austrian and German Bundesliga, Premier League, Champions League and Europa League spanning over 17 seasons. He also captained and played 78 games for the Austrian National Team, which include UEFA EUROS and FIFA World Cup Qualifiers.

Christian created Fox Soccer Academy to provide youth soccer players the opportunity to develop their game through a world class Premier League Curriculum with UEFA/USSF licensed coaches. The idea came from his own experience at the youth level, after being rejected by Austrian academies himself. He decided to do additional training to help him achieve his dream of playing professionally in the top fight.

Come and join us on our Easter holiday camp on April 4th at Platt Lane Sports Centre (9am – 3pm), for our Coaching Development Sessions. Session are coaches by Premier League Academy staff, all of which are UEFA qualified, First Aid and Safeguarding trained, and specialise in developing young footballers of all ages, abilities, and genders.
