

Spring Term – Wednesday 8th March

School Newsletter

Welcome from the
Headteacher

It was fantastic to see everyone so excited about reading on World Book Day – the children had a great time writing shared stories, illustrating their own books and making comics with their ideas. Look out for some exciting news soon about some of our pupils having their own writing published in a book!

This week is International Women's Day. Why not talk to your child at home about some of the amazing women who have inspired you?

International Women's Day...

International Women's Day (IWD) is a global holiday celebrated annually on the 8th March as a focal point in the women's rights movement. This brings attention to issues such as gender equality, reproductive rights and violence and abuse against women.

Colour Your World with Inspirational Women

Women and girls are diverse - and women and girls can be who, and what, they want to be. Who is a woman who inspires you - and why?

Choose an inspirational woman or motivational quote from the website below and get colouring! Use the moment to reflect upon and discuss the qualities and strengths you admire in women. Their paths have not been easy. Talk about the reasons why.

Well done to Alisha, Fatima, Maysa and Yumna in 5C, who read our story to the whole school in assembly on Monday. They chose "The Hugasaurus" by Rachel Bright. The book is about a little dinosaur trying to make friends.
