Welcome from the
Headteacher

Eid Mubarak to all of our families who were celebrating Eid last week. I hope you all had some lovely celebrations!

The children had a fantastic time at our Eid parties on Friday - thank you, to all families that were able to donate food.

As a reminder, there are national strikes taking place this week on Wednesday 5th July and Friday 7th July. Please see your child's class teacher if you are unsure if their class is open.

Important Health Update...

MANCHESTER
CITY COUNCIL

Important information for parents and carers
from Manchester's public health team

Measles

Measles is one of the most infectious diseases in the world.

This means it is easy to catch and easy to spread.

People can be very ill or even die from it.

If you get measles when you are pregnant, it can harm your baby.

But there is a safe vaccination that can protect you.

This leaflet tells you about it.

How Measles spreads

It spreads in the air when someone coughs or sneezes

What are the symptoms?

High temperature and skin rashes.

What problems can Measles cause?

Adults, and babies (under 12 months) are more likely to have other problems with it.

In some cases Measles can cause chest infections, fits, swelling of the brain and brain damage.

Children may have to go to bed for about 5 days and miss about 10 days of school.

Vaccine

You will be asked by school or your Doctor to have your child vaccinated. **Please give your permission.**

The vaccine is called an MMR jab.

It protects your child from Measles, Mumps and Rubella.

Your NHS states there is NO link between this vaccine and autism.

The vaccine is used all over the World and is as safe as any other

Contact your GP if you have any questions or concerns

School finishes for the Summer Holidays on
Friday 21st July at 3.15pm!

School Council...

We are very excited about the KS2 School Council Elections that are taking place in school this term!

Children who want to put themselves forward for nomination, are currently completing and submitting their application forms.

An election will be held in school on 18th July, so children can vote for their classmates to become a School Council member.

(only children will be placing a vote, not staff or parents/carers).

Results to be shared soon!

Fact of the week:

Mrs Hughes' Fact of the Week this week is:

How many continents are there on Earth?

Challenge: Name them all and at least one country in each.

Word of the week:

Mrs Pilling's 'word of the week' this week is:

Disobey

What do you think it means?

How would you use it in a sentence?

Assembly Reading...

Well done to Aisha, Tabiya and Zainab in 6C, who read our story to the whole school in assembly on Monday. They chose 'All Kinds of Feelings', by Judith Heneghan. The book is about all the different feelings we can feel.

What am I reading?...

Mrs Nicholson is reading "Super Duper You", by Sophie Henn with her Reception class. The children are celebrating themselves and how they are all individuals. The book has beautiful illustrations and the children love looking at all the pictures!
