Summer Term Newsletter

Welcome from the
Headteacher

This week is the end of term and what a fantastic year we have had! Thank you to all of our families who have supported us this year and been a part of all of our events. Well done to all of the children who have done so well in their statutory assessments over the last few weeks, they have all worked so hard.

Finally, we say good bye to all of our Y6 children as they move on to high school in September and start the next chapter in their lives. We will miss them all so much but we wish them all the best and they go on to their next exciting adventure.

What have we been up to this term...

Cooking and exercise classes...

Our children have been learning about ways to keep their minds and bodies healthy, cooking delicious recipes that work for the whole family!

Cressida Cowell visits Chapel Street...

We had a very special visit from Cressida Cowell, the award-winning author of the book series "How to Train Your Dragon".

She held a special assembly and then held a book signing with our children.

It was lovely to welcome her to Chapel Street.

City on Wheels...

Some of our pupils had a FANTASTIC day out at Manchester City's training academy for their City on Wheels event! We all had so much fun and were so pleased we were able to join in with sports activities and represent Chapel Street at an inclusive event!

Reception Adventures...

Our Reception children have been on some fantastic adventures this term! They've been exploring the wild area in our Forest School for mini beasts. They have also been on a local walk to the Bluebell Green and had a wonderful day playing and learning.

School Communications...

Emails from school will be from this email address: SC3522058a@schoolcomms.com. You **MUST** add this email address to your "safe senders" list, to avoid missing important school information. Don't know how to do this? Please follow these links:

Assembly Reading

Well done to Hafsa and Ziyal in 4C who read our story to the whole school in assembly on Monday. They chose, "Penguin" by Polly Dunbar.

It is about a boy who receives a penguin as a present and how they interact.

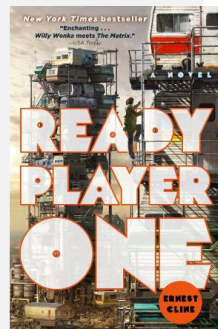

What am I Reading...

Mr Parmley is reading "Ready Player One".

This book is a New York Times bestseller and also has a successful film released.

Mr Parmley loves games and sci-fi.

Mr Parmley likes to read in the evenings to make sure he has a good night's sleep!

Fact of the week:

Mrs Hughes' Fact of the Week this week is:

What is the biggest desert on Earth called?

Challenge: Where is it found?

Word of the week:

Mrs Pilling's 'word of the week' this week is:

Malicious

What do you think it means?

How would you use it in a sentence?

Is your child vaccinated? ...

We achieved GOLD!!!!!!...

The School Games Mark is a government led awards scheme launched in 2012 to reward schools for their commitment to the development of competition across their school and into the community.

Participating in this process allows schools to evaluate their PE provision and assists them in developing an action plan for future progress. Mr Morgan and the rest of the staff here at Chapel Street have been working extremely hard to deliver outstanding PE sessions for your children. Their efforts and contributions towards sports across this year has meant that Chapel Street has achieved our **GOLD** award!!!! Well done everyone!
