Welcome from the Headteacher

Only one more full week (next week) to go until the end of term... and what an exciting week we have ahead of us! On Wednesday all of our children will be visiting their new classes and you will have a chance to meet your child's class teacher.

Some clubs are available for families who receive benefits from the Government; some clubs are open to everyone!

Take a look and see if your child would be interested in joining in the fun:

Fact of the week:

Mrs Hughes' Fact of the Week this week is:

Which types of rock are fossils often found in? Challenge: How are fossils formed?

Word of the week:

Mrs Pilling's 'word of the week' this week is:

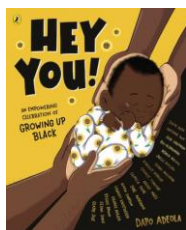

Deceive

*What do you think it means?
How would you use it in a sentence?*

Assembly Reading...

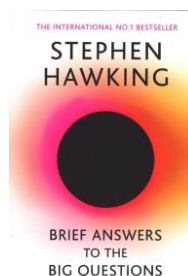

Well done to Laiba and Ja'nay in 6B who read our story to the whole school in assembly on Monday. They chose 'Hey You', by Dapo Adeola.

The book is about an empowering celebration of growing up black.

What am I reading?...

Miss Blackett is reading "Brief Answers to Big Questions", by Stephen Hawking. Miss Blackett loves non-fiction books and learning new ideas which make her think about the world in a new way. Her favourite quote is: 'We are all time travellers, journeying together into the future. But let us work together to make that future a place we want to visit.'
