

Dear Parents and Carers,

This is a reminder that your child's class is **CLOSED** tomorrow.

(please see the original letter attached that we sent out at the end of last half term. This letter includes details of which classes are open and which are closed tomorrow)

If you have children in other year groups and their class is planned to be open tomorrow, your other children will still be expected to attend school.

Please check your phone in the morning - we will inform you as soon as possible if there are any unplanned changes.

You can see a list of classes that are open and closed on our website. We will keep our website updated with the latest information.

Home Learning

Children who were provided with a learning pack for the previous strike day, can continue to use this learning pack tomorrow at home with parents/carers. For those children who did not receive a learning pack; there are a number of websites below which will provide you with lots of fun learning resources to do at home:

EYFS:
