Chapel Street  
Community Primary School

Thank you to all the parents, carers and family who came to see the amazing Year 1 assembly this week. It was the highlight of my half term. I was so impressed with the children's confidence, enthusiasm and knowledge. Their joy shone through and it was a delight to see them so excited to share their learning with you all. We appreciate you taking the time to join us.

The Design and Technology projects this week have been a huge success too. There were some delicious fruit kebabs in year 2 and year 6 are designing some stunning waistcoats using different fabrics. I can't wait to sample the spaghetti bolognaise from year 5 today.

Finally, even more good news and this time about the school's sporting achievements. We were delighted to be awarded this week with a trophy for our participation and engagement in Girls' Football and our netball team have qualified for the finals. Well done everyone. We have a strong love for sport and physical activity across the school and are proud to offer a wide range of opportunities for children to participate in different sports – whether for fun, fitness, competition or all three!

Have a lovely and safe half term holiday and we'll look forward to seeing everyone back in school, on time, on Monday 2nd June, for our final term of this year.
