Welcome from the Head Teacher

Happy New Year!

Welcome back to all families who are returning from the holidays and a very warm welcome to all families who are joining us for the first time this term – especially our new intake of Nursery pupils. We hope everyone had safe and restful holidays. We've been delighted to see all children back and happy to be in school – they've looked so smart in their uniforms and are full of enthusiasm for their learning this term. All parents and carers are welcome to visit their child's classroom on Monday morning (13th January at the start of the day) to find out more about what they will learn this half term, you should also receive a curriculum newsletter for your child by the end of next week. This will tell you important information about when PE days are, what subjects your child is learning and how you can support their progress at home. As always, if you would like to know more about our curriculum, please speak with your child's class teacher or see the information on our website: Curriculum - Chapel Street - Community Primary School and also your child's class page: Classes - Chapel Street - Community Primary School

You can also use Class Dojo to share questions with their teacher. If you don't know your log in (or receive the curriculum overview via email) please let the office know who will be happy to check your contact details and support.
