## Welcome from the Head Teacher

Thank you to all parents and carers who came to our Parent Drop-in on Monday morning this week. It was great to see so many families in school finding out about children's learning for this half term. We hold the drop-in on the second Monday of every half term for you to spend some time in your child's classroom and see what they will learn over the half term. We hold another one on the last Monday of every half term for children to celebrate what they have learnt with you. These are also an opportunity for you to see your child's books across the year and ask the teachers any questions you may have.

Whilst it is warmer this week than last week, please make sure that all children still have warm, waterproof coats for school every day and sensible shoes. Writing your child's name and class in their uniform will help us return any lost property quickly.
