School Newsletter

Welcome from the
Headteacher

Thank you to all parents who are continuing to bring their children to school every day on time. Although it is the end of term, all classes are still working hard with our curriculum and important learning that will help them transition successfully to their New Year group from September.

It has been exciting to see lots of year groups enjoying their Design and Technology learning over the past couple of weeks. There has been some excellent food technology with children designing and improving different types of biscuits – this was my favourite market research! Some year groups designed fruit salads and there has even been spaghetti bolognaise. The school has smelt delicious! We're looking forward to the Year 6 Leaver's Assembly and Disco next week and our end of year celebrations with all children.

Cleanliness & Hygiene

Cleanliness and hygiene are a key element in keeping your children's bodies healthy, keeping illnesses away and ensuring your child learns the best ways they can do this.

Due to the toilets being used by many children throughout the different toilets in school, we would like to politely remind parents to teach your children in taking care of their hygiene.

Assemble Reading: Well Done To:

Well done to Dua in 3A who read our story to the whole school in assembly on Monday. She chose, Bright Stanley by Matt Buckingham

School Communication...

Make sure you stay up to date with school news and important information. A weekly newsletter will be shared on Class Dojo; we also send emails and text messages to our parents.

Emails come from this email address: SC3522058a@schoolcomms.com

Add this email to your contacts or safe senders list to avoid missing any of our communication. If you've updated your phone number or email, **please tell the school office straight away.**

Clubs Finished For This Academic Year

This week (Week 7) will be the last week that we will be running the Sports/Reading Clubs. We've had a fantastic year with Sports and Reading Clubs running throughout the year. Well done to all our parents and pupils who have made this possible as well as our fantastic staff who have been supporting this and helping our children achieve their targets. We look forward to hosting more clubs in the new academic year.

School Meals Price Increase...

From September, our school meal prices will be increasing to £2.50 per day.

All Parents have been sent a letter home as well as an emailed copy to read more about this

Making a difference and achieving excellence for every child

It's Coming Home...

The Reports. The End of Year Reports are coming home.

Well done to all our Pupils throughout the school who have been achieving excellence throughout this academic year.

Year 1's, well done for your achievements in your Phonics Screening Test.

An extra well done to Year 6 who have received their SATs results along with their reports. We hope they continue to achieve excellence and obtain great achievements on their new journey at Secondary School.

Inventory – Child Sign in Update

We are excited to share our New Feature on Inventory which is the languages option. Parents who would like further help in understanding the options, can now click the Inventory sign on the bottom right and select their preferred language to understand the options. We hope this makes things easier for our Parents at Chapel Street School.

Help Your Child Come to School on Time

Sleeping is an essential part of our lives, it's as important to our bodies as eating, drinking, and breathing. Sleep helps our brains and bodies recover from everything we did during the day. Getting enough sleep is necessary for maintaining a child's physical, mental and emotional wellbeing.

Making a difference and achieving excellence for every child

Where do I collect my child from an after School Club?

- If your child is in Year 1 or Year 2, you should collect them from the red door in the front playground.
- If your child is in year 3, 4, 5 or 6 you should collect them from the back playground.

The gates will be closed in between the playgrounds at 3.30pm for safeguarding reasons.

There will be no access for you to get from the front playground to the back playground.

Fact of the week:

Mrs Hughes' Fact of the Week this week is:

What animals are found at the South Pole? Challenge: How are these animals adapted to survive in such harsh conditions?

Word of the week:

Mrs Pilling's 'word of the week' this week is:

Lament

*What do you think it means?
How would you use it in a sentence?*
